Lols Hole, trustee on the Sturgeon School Board, had the honor of officially turning the first sod for the new Sturgeon Heights School to be built on the Villeneuve Road, one and one-quarter miles west of highway 2. Ceremony took place Feb. 16. On hand for the occasion were (back row from left), W. J. Hepler, principal Mission Park school; Mrs. Austin, Mr. Reg Austin, trustee; Mr. John McDowell, board chairman; Mr. Harold Paul, trustee; Mr. S. J. Sieben, guidance supervisor. In front are Terry Kleser, president Mission Park Students Union; Norah Terrailli, MR student; Mrs. Hole, Marilyn Van Brabant and Marie Bokenfohr, students of Cunningham school, Mr. A. Genoway, principal of Cunningham, Gordon Vervynck and Kevin Kleser, Cunningham students. Architect is Morley Workun of Melinosh, Workun and Chernenko, and Enterprise Construction Ltd., of Edmonton are the contractors. The school will open in September and it is expected the building will be finished by the end of July this year.

Credit Union shows Growth

A crowd of 150 attended the annual meeting and social evening of the St. Albert Savings and Credit Union Ltd., on Saturday evening at the Community Hall.

Re-elected to office for the board of directors were Mr. A. Lesburg and G. Blacklock. Other officers remaining are A. Alain, A. Vandenbos, T. Paul and G. Willas.

Elected to the supervisory committee was Wilfred Langen replacing Mr. Peter d'Haene. Remaining on the supervisory committee are Mrs. M. Erickson and Mr. Wm. Stewart.

President Albert Lesburg, reporting for the board of directors, noted that membership in the Union had increased by 266, and assets at the end of the year totalled \$569,196. At the January meeting the board declared a five per cent dividend on members' share capital for 1970. Mr. Lesburg predicted that assets will reach \$750,000 by the end of this year.

Manager Leo Alain gave a breakdown of members' assets in his report, showing substantial increases in shares, term deposits, blue chip deposits and current accounts.

Credit committee report, presented by chairman W. T. Lee, reported 302 loans were processed in 1970, an increase of 35 over the previous year. Average loan value was \$1,023. The largest number of loans in a given category were 61 for

auto purchase and repair. Mr. Lee also stated that the credit committee held 55 meetings last year.

Supervisory committee noted the growth in business during 1970, "despite tough monetary measures." Three surprise cash counts were conducted and on all occasions books were found in order and balanced. In addition to the committee's

quarterly reports, an adult quarterly reports, an audit was performed in November by the Credit Union Branch of the Government of Alberta. Statement of operation and balance sheet were circulated to members, with the 11th annual report of the Credit Union.

A dance and smorgasbord followed the meeting.

Newcomers plan 5th birthday

The Welcome Wagon Newcomers Club of St. Albert will celebrate its fifth anniversary March 3. Special entertainment is planned for the regular dinner meeting which will be held at 6:30 p.m. at the Purple Dugge. Members will present a review of spring fashions from the Kaleidoscope Shop. There will also be displays of mens' fashions from Jim Byrne Mens' Wear and lad-

ies shoes and accessories from Hinchings Shoe Store. Grandin Florist will provide the floral arrangements.

Past executive officers and past members, present members, guests and newcomers to St. Albert are invited to attend.

Reservations must be made by phoning Mrs. Hattie Baker, reservation chairman, at 599-4704.

New service at hospital

A new service for hospital patients opened yesterday in Sturgeon General Hospital when the Ladies Auxiliary introduced their Book Truck service. A joint effort by the Auxiliary, the St. Albert Public Library, and several private citizens, the service is as first scheduled for Tuesday afternoons, and will expand as opportunity offers. The truck, donated and staffed by the auxiliary, was

made by employees of the Sheltered Workshop in Edmonton. Books are loaned by the Public Library and donated by various St. Albert residents.

Mary Campbell, president of the Ladies Auxiliary, Bette Smithson and Audrey Wood who were in charge of the project hope this will help patients to pass the time of their hospital stay more enjoyably than before.

St. Albert's Don Wilson wins Gold Medal for Boxing at Canada Winter Games

Donnie Wilson of St. Albert won four straight matches to win the gold medal in the Canada Winter Games in Saskatoon last week.

Wilson won the first three by knock-outs as he defeated Malley from New Brunswick with only 47 seconds of the first round gone, then disposed of Bent from Ontario at the 1:30 mark of the second. The third bout was over at the 1:30 mark of the first as Hussey from New Foundland was through for the night.

The final bout, held before some 2,000 fans in the Cen-

tennial Auditorium, was the top fight of the night. Wilson won a unanimous decision over Montreal's Denis Groleau and was awarded the gold medal in the featherweight class.

Mr. and Mrs. Wilson had

two events to keep track of as their 15 year old daughter Shelly was taking part in the fencing competition. As it turned out they had very little to worry about as

Wine & Cheese Party

The members of Sturgeon Hospital Auxiliary are hosting a Wine and Cheese party this Friday evening in the Roman Catholic Parish Hall, St. Albert, beginning at 8:30 p.m.

An added attraction is a White Elephant Auction for which auctioneer Eddie Walker is volunteering his services. This is a situation where one man's junk is another man's treasure, and who knows how many happy finds this auction might turn up? (Auxiliary members are reminded they may bring late items that evening).

Tickets at only \$2 per person may be obtained from any auxiliary member. Eleanor Dean and Brnice Deutscher are convening the event. Proceeds of the evening will support the various projects underway by the auxiliary in aid of the hospital.

A thrilling and proud moment which 18-year-old Donnie Wilson will remember all his life occurred last Wednesday when he was awarded a Gold Medal for Boxing at the Canada Winter Games in Saskatoon. Photo was taken by his father, Keith Wilson just after the medal presentations in the featherweight class. The impressive and patriotic ceremony moved a number of people in the large audience to tears.

noisy and not so fast as modern motorized snow vehicles - and not so expensive either. But doesn't it look like great fun for a little boy?

Spring is sprung in sunny St. Albert. It must be because a chap was seen painting the eaves of a new duplex on the corner of Marion Cres. Tuesday. (Which may be enough to make several hundreds of husbands wonder if they are really looking forward to spring!)

These pretty girls from Sir George Simpson School are competing for the position of Queen of the school's winter carnival next Tuesday. Representing the four houses at Sir George Simpson school are (from left) Peggy Nixon, Henday House; Peggy Sinclair, Fraser House; Terri Webber, Hearse House and Dulcie Page for Thompson House. Winner will be crowned at 1:45 in the gym, to kick off the carnival.

March 2 a big day at Simpson school

A varied program of interest to parents, friends and students of Sir George Simpson Junior High has been planned for next Tuesday, March 2, and will mark education week at the school.

The school's first annual Winter Carnival will feature events such as Krazy-Karpet slide, snowshoe races, cross country skiing, tri-cycle races on ice and even chuckwagon races! Three levels of competition in carnival events will match both girls and boys in Grade four, Grades five and six and junior high.

To kick off the carnival a queen will be crowned at 1:45 in the gym. Candidates are Dulcie Page, Peggy Nixon, Peggy Sinclair and Terri Webber. Final event of the carnival

is an exhibition basketball game.

The evening program begins at 7:30 and features three main events. A penny carnival by the elementary students under the theme "The Outer Limits" will give visitors a chance at such novel events as shaving aballoon or racing fierce moon monsters.

There will be subject area displays in social studies, language arts, math, science and art and parents will also be able to see students at work on industrial arts and home economics. Students will serve coffee and provide a babysitting service. The school extends a warm welcome to all parents and interested people from the community to attend both the afternoon and evening events.

Bake Sale Nets \$221

The St. Emile's CWL Valentines bake sale held Feb. 13 at the Co-op was a great success and the women wish to thank all who supported it.

A net profit of \$221 was made for St. Emile's parish. Special thanks goes out to the following businesses: Legal Co-op, Legal Dairy, Leo Maurier and Son, Legal Welding, Federated Grain-Maurice Baginbald, Alberta Wheat Pool - Rene Shank, United Grain #1 - Bernard Fizer, United Grain #2 - Peter Littvin, National Grain - Art Chamberland, Legal Transport, Dans Highway Service, Citadelle Motors Ricky's Beauty Salon, Joe Nault, Imperial Oil, Legal Hardware, Pool Hall, Legal Credit Union, Dans Grocery, Marcel's Shoe Repair, Legal Motors, Legal Hotel, Bank of Nova Scotia - Jules Larose, C & L Confectionery, Lads Ditching and Excavating. Isidore Krupa drew the lucky tickets - the Valentines

cake was won by Anne Bukowski and The Vest by Joe Shobogean.

The St. Emile's CWL held their annual meeting Feb. 16 at the recreation centre. A telegram was sent to Prime Minister Trudeau opposing the widening of the present abortion law in Canada.

Florence Quaghebeur read an article "Make Me Aware of People." Fabcolo Hunting is the CWL representative for rummage sales.

The CWL ladies, Christian ladies and Knights of Columbus are invited to see a film on renewal of baptism

some time in March, shown by Father Tanquay.

The public health unit will show a film on drugs for parents and teen-agers in April.

The CWL campaign for Development and Peace is well underway. A film will be shown and lectures will be given to make people aware of world problems.

The annual CWL St. Patrick's bake sale will be held March 13 at the Co-op bakeshop and donations will be greatly appreciated.

A reminder to all CWL members and those wishing to join that membership fees are now due. Contact Florence Quaghebeur.

The St. Albert Breakfast Lions Club are in the process of planning a bike-a-thon according to John Kaminski, chairman of the event.

Although the date and the route are not settled, it will probably be a 20 mile ride about April 3.

This year all the money will be retained in St. Albert for the Lions many projects which include Lions Community Band, Majorettes, Senior Citizens Club and children's sports activities.

Around Town

The second highest award of Girl Guides of Canada was presented to Miss Jillian Leggett on Feb. 16. A member of Third St. Albert Company, Jillian is now the proud bearer of an All-Round Cord. She is the daughter of Mr. and Mrs. Richard Leggett of Glenmore Crescent.

A short letter from Sara Ross this week advises they had a good flight to Honolulu and a pleasant stay at the Princess Kaulani Hotel, near the International Market. The Roland Bonnevilles met them for dinner at the Reef Towers on Feb. 13, and they had a brief visit with Norm and Vicki Shalagan at Marine Surf on the 15th. The next day they met Mrs. Michelot and Theresa at Aloha Surf to greet Mr. and Mrs. Art Huff - it was Art's 77th birthday. With the B and C Inter-club season drawing to a close all St. Albert's teams are in contention for the semi playoffs. The B team composed of Ian Abraham, Harry Neumann, Clark Warren and Ted Cornwell, Judy Wood, Helen Neumann, Beryl Harding and June Raven now hold a 5-2 record after having defeated Kingsway and Southgate in their last two matches. Their last match is against Southgate 1 on Friday, Feb. 26.

The C1 team hold a perfect 6-0 record so they definitely will be in the playoffs. They just might be playing against the St. Albert C2 team who also has a near perfect record but who

Local Brownies hold Thinking Day program

Brownies of the 4th and 5th St. Albert Packs turned their thoughts to other Brownies around the world on "Thinking Day," Feb. 16. In a colorful and impressive ceremony they mounted flags and "friendship" pennies on a large trefoll, while concentrating their thoughts on less fortunate Brownies around the world.

Thinking Day marks the birthdays of Lord and Lady Baden-Powell and Mrs. Byl lighted a candle for the founders of their movement. The second candle, lit by Cindy

has lost to the St. Albert C1 team. They all have one match left to play before the semi-final playoffs.

Play in the final club tournament will begin March 18, to be continued Tuesday, and Thursday nights until completed. It will be a double elimination tournament which means everyone is allowed two losses. There will be prizes for the winners and runners-up. Players select their own partners, they only restriction being that if you have won an event before you cannot play with that same partner again for two years. As well as this restriction B players will be handicapped three points for a B-C combination and five points for two B players in the doubles.

There is no charge for the final tournament and everyone is invited to participate. Any further information about the tournament can be obtained from Judy Wood at 599-8696.

Smith represented Brownies in the Northern part of the world, third candle for Brownies in the East was lit by Helen Sturges, fourth for the South, by Ann Kavis and fifth candle representing Brownies in the Western world was lit by Laura Armistage.

The Brownie Promise and a prayer led by Commissioner Lita York ended the formal ceremonies. Games and songs from other lands completed the program and a Baden-Powell Birthday was enjoyed by all before Taps.

Letters To The Editor Condemns rezoning

The Editor:

What Next? — One really wonders after the latest little move that our civic fathers have made in this "residential - commercial parkland" game the have been playing in St. Albert lately. The town of St. Albert has called a public hearing for March 15. Reason for the hearing -- an attempt to rezone one of St. Albert's potentially loveliest and centrally located park areas (southwest of Grandin Shoppers' Park, Lot 54, Plan 382 MC) into a commercial area. The very idea that they would even consider such a proposal is difficult to comprehend! The elevation of this piece of land as well as its unique geographic features would be practically impossible to duplicate. Yet, our civic fathers are so readily willing to let the bulldozers barge in and transform the area into another anonymous commercial asphalt jungle. What the temptation of a few extra dollars can lead to is amazing!

With a little planning and foresight this area could already be a beautiful park with evergreens, deciduous trees, and rolling lawns. (In spite of urgings and requests by local residents for several years the town has

let the area lie dormant). Reasoning this area from a public use area to a commercial class would have many, far-reaching implications.

St. Albert would be deprived of a prime piece of public recreational area. As the town grows in size its desire and need for such recreational areas will increase. Let us think of the future.

If commercialized, this area would become a potential litter area with cardboard cartons, candy wrappers and broken glass bottles. The present Grandin Shoppers Park, particularly during non-winter months, is living proof of this!

If commercialized, the possibility of more traffic arteries being built to connect to existing ones is very strong. To the residents living in adjoining homes this traffic hazard to our children looms large. A 50-foot buffer zone offers little reassurance.

If the rezoning proposal would be approved, what has to date been regarded as one of the finest residential areas of St. Albert would become a "downtown-fringe" area - a part of town to move out of - the sooner the better!! Property values would plummet and justifiably so.

Commercializing the area would mean that residents adjoining the commercial area would be "eating dust" all summer long. A busy back alley thoroughfare

Rebuttal on Comets

The Editor:

When people write articles to the general public, it is of utmost importance that the information passed to the public be as accurate as possible. It is for this reason that I am writing a rebuttal to Mrs. Schrader's article titled "Disgusted With Comets."

First when Mrs. Schrader suggests that she "go back to the total dependence of outdoor ice" thereby questioning the value of the arena to the community, then I suggest that a large majority of St. Albert citizens have an erroneous set of values, would keep the backyards well-covered with dust all summer.

Residents from the north end of Grosvenor Boulevard would have the pleasure of inhaling the smoke and grime from all those rooftops and chimneys in the valley north of them. And wouldn't those roof-tops be a lovely view for the Grosvenor Boulevard residents!

Furthermore, if the arena is question would be commercialized, that would be only the beginning. It would be only a matter of time before the entire area between Gresham Boulevard and Grosvenor Boulevard would be rezoned into a commercial area.

Is that what we want?

Sylvia Walsh,
ST. ALBERT & STURGEON GAZETTE

because they are extremely pleased about the arena.

Contrary to Mrs. Schrader's inference, the arena was built for the entire community and not just for the Comets, so that regardless of what the Comets do, the arena will always benefit the community. If Mrs. Schrader desires however, she is free to go back to outdoor facilities.

The second error in Mrs. Schrader's article lies in that she states that all of the Comets were swearing and playing dirty, when in actual fact these actions were confined to two players. Even though I do not agree with outbursts of emotions such as swearing so often seen in hockey, most people connected with body contact sports accept this as an inevitable part of the game.

Anytime that emotions are built up and people play to win combined with weaknesses of the human being these things will happen periodically. Any fans expecting to come to body contact sports and not hear swearing once in a while, are only fooling themselves, as some athletes are just not made that way.

Furthermore some of the penalties taken in the game were "good" penalties amongst the hockey fraternity. A good penalty is one which prevents the opposition from scoring; some cases of hooking, interference, tripping, fall in this category; also charging which is a situation where a player takes more than three strides and hits his opponent with a good

Mini - Capades looks great

Mini Capades! Mini Capades! That's the talk of the town.

Attend the Legal Mini Capades sponsored by the Recreation Board, in the solid body check; is a good penalty to take periodically.

The only part that I agree with Mrs. Schrader's article is that the calibre of hockey is not very good, relative to televised hockey, and that is precisely why it is less intermediate "C" hockey. Nonetheless we have often times given our fans many moments of exciting hockey and we, the players, are very grateful for the moral support of all fans. Sunday's game was not one of our better games and this combined with very questionable refereeing, resulted in "questionable" spectator entertainment.

When Mrs. Schrader refers to the "Bad Comets" she should be reminded that some of the Comets made very substantial money donations and gave much of their time so that ALL of the community could enjoy the "Arena Facility."

In retrospect there are very few things in life that are all good with no badness associated with it. Each fan must weigh the advantages and disadvantages of watching the "Comets." Each fan must also appreciate that athletes are mere mortals just like anyone else.

Albert Laplante.

arena on Feb. 28 starting at 12:30 p.m. Mile Fete au Village (Irene Tieulle) will open the event.

The capades will be staged with the cartoon carnival theme.

Mrs. Donna Mast, skating instructor, promises that our local girls will display considerable ability on skates during their performance. The minor hockey teams, Blimbo, Gootus, and Pinky the clowns on skates will provide you with real carnival fun. The special attraction that will complete the skating program, will feature the Burnhead skaters.

The raffle sponsored by the figure skaters will also be drawn in mid afternoon.

Make it a family affair and attend the capades with a very reasonable admission fee of 50¢ for adults and students over 16 years of age.

Newcomers

We welcome the following newcomers to St. Albert:

WEDNESDAY, FEBRUARY 24, 1971

The entire cast of HMS Pinafore presented by the students of Sir Alexander Mackenzie school last Friday evening with the direction and assistance of many of the teaching staff.

HMS Pinafore stars are Lynn Ness as Dick Deadeye (left), Sandy Winquist as Sir Joseph Porter, Patti Kleinke as Hebe, Dianne Goodwin as Buttercup, Charlie Andrews as Captain Corcoran, Cindy Murray as Josephine, Mike Mitchell as Ralph Rackstraw and Kathy Chiles as the Boatswain.

Large crowd enjoys HMS Pinafore

An estimated crowd of 230 local residents enjoyed the delightful performance of HMS Pinafore presented by students of Sir Alexander Mackenzie school last Friday evening.

Under the direction of Mrs. Gail McIntyre (music), Stan Sinclair (drama) and Lawrence Kenakin (choreography), the young students handled an ambitious undertaking very well indeed. Quality of the singing was good, as was the diction and voice projection, so that the operetta was easily followed by the audience.

The young people proved their acting ability as well, bringing out the humor and gaiety of the show with natural youthful exuberance.

A dance sequence featuring Shesha McKay and Shawn McKay, backed up by Cheryl Wakefield, Debbie Nugent and the operetta chorus, was admirably worked out to fit the mood of the production.

The back drop and stage props by Mr. Rod Wasnea, assisted by the art students at the school were excellent, and together with costumes by Shirley Thompson, Clare Spivak and Lil McLean, added greatly to the show.

Sandy Winquist's performance as Sir Joseph Porter deserves special mention. She filled in for Ralph Cormier, on very short notice when Ralph became ill, and came through with a tremendous performance in a lead role.

Supporting the lead singers, and backbone of the show were the 17 members of the operetta chorus: Kathy Mosier, Shelly Lewis, Colleen Macaulay, Janet Coghill, Dawn Morphey, Sarah Hemingway, Wendy

plaudits duties most ably. At the close of the show the students presented bouquets to the teachers who had worked with them over many weeks to give them this excellent opportunity of presenting their own operetta.

Mr. Parkinson was instrumental in the backstage party for all the cast, which was held right after the show.

Town of St. Albert

Notice of Public Hearing

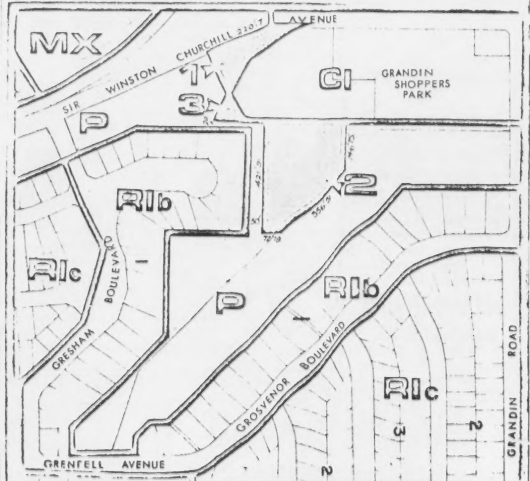

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone;

That area 1 (shaded) being portion of Lot 63U and adjoining road, Plan 3827 M.C. be rezoned to COMMERCIAL CLASS 1 (C1) from PUBLIC USE (P).

That area 2 (shaded) being portion of Lot 64, Plan 3827 M.C. be rezoned to COMMERCIAL CLASS 1 (C1) from PUBLIC USE (P).

That area 3 (shaded) being portion of Lot 28, Plan 2961 M.C. be rezoned to PUBLIC USE (P) from COMMERCIAL CLASS 1 (C1).

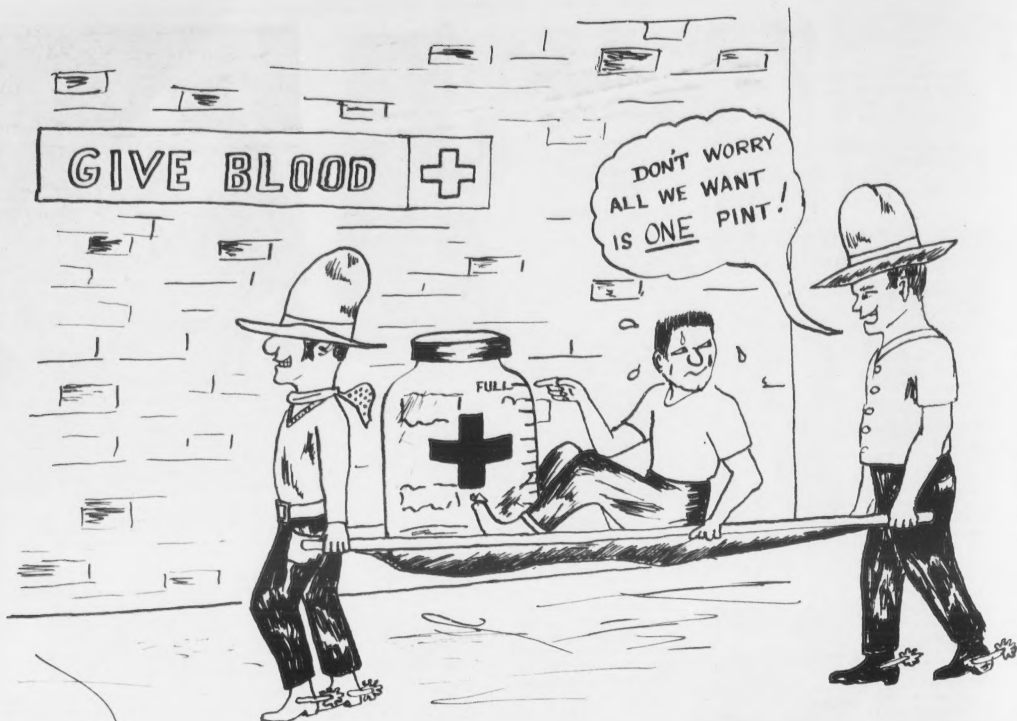

The proposed Bylaw No. 5/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers, on the 15th day of March 1971 at 8 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the eleventh day of March, 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

capture fourth place. Shelly won 18 out of 24 matches and was the top scorer on Alberta's team.

Along the way Shelly defeated two champion fencers from the Ontario team in a remarkable performance and both by a 4-0 score. One of the fencers left crying at being upset by such a youngster.

It used to be that 10 cents was big money. My, how times have changed!

St. Albert's 15-year-old fencer turned in an outstanding performance, outdoing what was expected of her on the Alberta Fencing team at the Canada Winter Games and proving that she will be the Canadian women fencer to watch in the years ahead.

Vic Post of Paul Kane High will appear on CBC television tonight at 7 p.m. on a program dealing with Science Fair projects.

Competition keen in schools bonspiel

Saturday and Sunday the first annual St. Albert schools bonspiel was held for all the St. Albert students curling in a regular square draw school league.

The schools competing were Simpson Junior High, Sir Alexander Mackenzie Junior High, Paul Kane High and St. Albert High. A total of 16 rinks competed in the spiel.

The spiel was won by the Robert Letourneau rink. Second in the first event was won by Gary Greening, Larry Chuyzyk, Cindy Murray and Doug Watkins. Third in the first event went to Darrell Kremer, Linda Watkins, Darrell Martindale and Karen Winger. Fourth in the first event went to Ken Kuhn Matt Lister, Lauri Ferguson and Joe Downie.

The second event was won by the Doug Barker rink. Second in the second event went to Marie Van Tighem, John Dolman, Iva Dykstra and Charles Andrews. Third prize went to Dave Upright, Brian Kroll, Cindy Suvant.

Fourth in the second was won by Brad Hoosier, Marilyn LaRocque, Chris Keith and Michael Phillips.

The third event was won by Terry Mitchell's foursome. Second went to Peter Byl, Nancy Gialster, Donald England and Richard Garlepy. Third in the third event went to Julian Romanko, Gerard Garlepy, Grant Akins and Diane Donovan. Fourth in the third event was won by Norman Hill, Stephen Lister, Dave Cook and Jill Schinking.

The ice and the A event trophy for the two day spiel were donated by the St. Albert Curling Club. The B event trophy was donated by the St. Albert Ladies Curling Club. The C event trophy was donated by the St. Albert Local ATA.

The competition throughout the spiel was extremely keen. Many spectators enjoyed some fine entertaining games over the two days. Thanks to all the organizers that made the spiel a huge success.

Grand challenge winners in the St. Albert Schools Bonspiel held last weekend. President Wally Irwin of the St. Albert Curling Club presents the trophy to skip Robert Letourneau and his rink Doug Easson, third, (kneeling left); Kathy Olson and Monte Gannon.

RECREATION hi -lites

Fees (\$5 for adults and \$1.50 for students) and registrations are now being taken at the Town Hall for the six-week learn-to-golf school which starts on March 3 in St. Albert High School.

On that evening at 7 p.m. there will be films and general discussion and after that two classes will be held each Wednesday: 6:30-7:30 p.m. and 7:45-8:45 p.m.

If the weather co-operates the last few lessons may be held out-of-doors. Participants are reminded that they must wear soft-soled shoes.

For further information please phone the department of recreation at 599-6601.

YMCA

The Swedish Gym classes for girls and ladies which usually takes place on Thursdays in Leo Nickerson School will not be held on Feb. 25 because of school activities in connection with education week.

The "Y" basketball program for boys has been cancelled till further notice.

FLOOR HOCKEY

There was a good turnout on Monday for the first evening of floor hockey. This program for boys between the ages of 13 and 16 is held every Monday in Sir Alexander Mackenzie school from 6-8 p.m. Monday, March 8 will be the deadline for registering.

HERCULES BASKETBALL

A Hercules team were the winners of a game against a team from the Central "Y" on Monday, Feb. 22.

About the only bright spot on the Comets during the weekend was Rene Pouliot (equipment manager) who held the winning ticket in the Comets Booster Club raffle. The rest of the Comets showed very little hockey ability as they were clobbered by Leduc Oilers 10-7 on Friday and 17-1 on Sunday.

On Sunday's disaster the Oilers scored three goals on their first four shots on Comet netminder Bernie Alain who had a miserable game. The youngster just could not stop the hard pressing Oilers as they outshot the Comets 16-6. Comets had some good scoring chances once again but either missed the goal or shot right into Ray Turchansky's pads.

Oilers led 5-0 at the end of the first and when the second period under-way defenseman Gerry Magan was in goal for the Comets. Gerry would be the first to admit he is no Vezina Trophy candidate and proved it by getting beat on seven of 12 shots as the Oilers fell behind 12-0. St. Albert's defense and most of the forwards were terrible as time and time again Leduc walked right in on Magan. Leduc raised the score to 15-0 before Al Laplante finally blasted in a screen shot from about

A 12-year-old boy defined "mixed emotions": "It's like hearing the morning siren telling you that school is closed because of a blizzard, and you are in bed with the flu."

Comets playoff chances spoiled

30 feet out that Turchansky did not see. Frank Joyal and Joe Cassidy assisted.

Comets took only four of the 11 penalties handed out and regardless what some fans feel, they are not playing unless they are hitting. Leduc players romped in at will on numerous occasions, without anyone laying a hand on them. Al Laplante was named St. Albert's most valuable player. He could have picked up three or four goals with a little luck.

Friday's game appeared to be a replay of Sunday's contest as Leduc led 4-1 after the first period. Terry Dube scored for the Comets

with a shot from outside the blue line that appeared to fool the Leduc netminder.

Butch Kalita drew the assist. Leduc continued the slaughter with five more in the second while Comets got three back. Leading scorer Jim Read led the way with two and Laplante added the other. Leduc entered the third with a convincing 9-4 lead but saw this reduced to 9-7 as the Comets struck for three goals within one minute and 29 seconds on goals by Joe Cassidy, Steve Lynes and O'Neill Chevillier. Leduc scored in the last second of play for the final 10-7 score.

Comets most valuable player was Laplante.

In both games the goal-tending for the Comets left a lot to be desired and coach Yanoos will have to come up with some answers before the provincial playoffs against Stony Plain which starts in St. Albert March 5 at 9 p.m. B-th teams return to Stony Plain on Sunday, March 8 for the second game of the two-game total goal series.

Comets next home game will be Friday at 9 p.m. when they will take on Edmonton Nut and Bolts. CFB Nisao will be here Sunday at 7:30 p.m.

Basketball playoff features close play

On Saturday, Feb. 20, Vital Grandin was the scene of the North Conference basketball playoff for the North Central Alberta Zone.

A total of six games were played and competition was very close in all games.

In the morning games St. Albert girls squeaked by Barrhead by a single point and St. Albert boys won out over Barrhead by eight points. In afternoon play Athabasca girls defeated Westlock by a narrow margin and Westlock boys edged Athabasca boys.

In the girls final Athabasca defeated St. Albert by

one point and St. Albert got by Westlock by two points in the boys final.

A highlight of the tournament was the cheerleading competition held prior to the final games. Cheer groups representing each of the four competing schools took part and each gave a three minute presentation. The St. Albert High cheer group were judged to be the best and Leonie Gibeau, cheerleader captain, was presented the trophy by Mr. Ross Johnston, principal of St. Albert High.

This Saturday the North Central Zone Basketball finals will be played at Vital Grandin commencing at 9 a.m.

The girls competition will have teams from Drayton Valley, Stony Plain, Athabasca, and Fort Saskatchewan taking part. In the boys section, teams will be representing Drayton Valley, Stony Plain, St. Albert and Concordia College.

Once again, the cheer groups representing each of the schools involved will be taking part in a competition during the tournament.

St. Albert High

CHEERLEADERS

We, the St. Albert High cheerleaders would like to thank both the boys and girls team, along with everyone else for their support at the cheerleading competition on Saturday. Your enthusiastic cheering gave us a tremendous amount of courage and spirit. We do not feel we could have achieved any measure of enthusiasm without the feeling that you, as spectators, were behind us 100 per cent.

Also, a special thank you goes out to Mrs. Reinhold, our staff representative, and Mr. Wood who so willingly helped solve our problems.

BONSPIEL

A bonspiel for St. Albert schools was held on Saturday and Sunday. A total of 16 rinks completed. Our school had 18 curlers on the various rinks. Robert Letourneau skipped the winning rink in the spiel with Monte Gannon playing lead, Darrell Kremer and Darrell Martin-dale were third in the first event, Joe Downie played lead for the rink that won fourth in the first event.

Bob Smith played lead for the winner of the second event, Marie Van Tighem skipped the team that was second in the second event.

Janet Gervais at third and Yvonne Byl at lead captured the third event. Peter Byl and Richard Gariepy were second in the third event. Third in the third event went to Julian Romanko (skip), Gerard Gariepy (third) and Dianne Donovan at lead.

MIXED BONSPIELS

St. Albert High has been invited to bonspiels at Sherwood Park and Redwater. See the sports bulletin board for more information on

these spiels. If interested give your entries to Mr. Kupsch.

Report from the Legislature

By Keith Everitt

Have you ever noticed how hockey games vary? Some take quite a while to really get into action, while in other games the action is hot and heavy at the very drop of the puck. In the Legislature, as soon as His Honor presented the Speech from the Throne the battle was on. Mr. Dave Russell, the member for Calgary-Victoria Park, moved that the Legislature regret and deplore the failure of the government to take appropriate action to stimulate the economy of the province and in failing to call a special fall session of the Legislature to deal with the expected unemployment problem.

In this column I would like to outline the speech I gave on unemployment on Wednesday, Feb. 17:

"Mr. Speaker, I am pleased this afternoon to make a few statements concerning unemployment in this province. This morning I phoned the Unemployment Insurance Offices in Edmonton, Calgary and Lethbridge to find that at the end of January, 1971, there were 46,756 applications for benefits. Not all of these, of course, qualify, but the number is considerable. The significant thing, Mr. Speaker, was a statement I received from Lethbridge saying that the majority of those seeking benefits from unemployment insurance haven't applied to Canada Manpower for employment. I may be wrong, but this in

itself is an indication that there are those who plan on working maybe nine or ten months out of the year and then living on unemployment insurance for the other two or three months. After all, they claim, it's their own money.

"What I am saying, Mr. Speaker, is that actually the issue of unemployment in this province, in my opinion, is highly overemphasized. I've listened to the honourable opposition Members endeavor to blame this government for not creating a crash program of public works to put every person back to work. Why have not the honourable Members mentioned the fact that some 16,000 workers from Saskatchewan have moved to Alberta, also that an estimated 200,000 draft dodgers have come into Canada from the United States. Mr. Speaker, I would like to read an article from the St. Albert Gazette written by Mrs. Rose Martel, who 'tells it as it is' as far as unemployment in Canada is concerned. (Reads — 'As I see it,' by Rose Martel, dated Feb. 3, 1971.)

Mr. Speaker, this government is concerned about unemployment, but let's put it in its proper perspective. In the constituency that I have the honour to represent I can assure the honourable Members of the Assembly that I would have no trouble at all in listing at least a dozen areas in which there is a great deal more concern, Mr. Speaker,

I hope the Members of this Assembly will give this amendment the treatment it deserves."

Legal Wins Mite Trophy

The Mite "A" teams held a tournament recently in the Legal Arena with four teams competing for a beautiful trophy. In the first game Richard Nault scored two goals and Andre Coulombe one to lead Legal to a 3-2 win over Vimy.

Ricky Provencal and Pete Bokenfor scored for the losers.

In the second game Vimy defeated Edmonton by a score of 2-0.

Third game George Van De Walle and Laurier Charols scored to pace Legal to a 2-0 win over Drayton Valley. Legal defeated Edmonton by a score of 3-2 in game four. Richard Nault and George Van De Walle scored singles and Andre Coulombe scored the winning goal.

Fifth game saw Drayton Valley defeated by Edmonton, 2-0. Vimy defeated Drayton Valley by a score of 5-1 in the last game.

The hockey "stars" of the tournament were the Legal team that deserved the trophy they worked so hard to get.

EAIDA to hold Annual meeting

The annual meeting of the Edmonton Area Industrial Development Association will be held March 5 in Spruce Grove, when the County of Parkland and the Town of Spruce Grove will be co-hosts.

Dr. L. G. Hall, director of school administration, department of education will be guest speaker at the noon luncheon. Registration is at 10 a.m., followed by a tour of Spruce Grove School. The Canadian Imperial Bank of Commerce will host a reception at 11:30 followed by a luncheon, hosted by Melton Real Estate Limited.

Mr. M. R. Parker will chair the business meeting, beginning at 1:30 p.m., and will present the board of directors report. A report from the constitution committee on the re-drafting and assessment base study will be given by committee chairman, Mr. Walter Van De Walle.

Major items to be considered under new business is the question of tourism in association areas. Election of officers for the 1971-72 year will be held.

The meeting will be held in the Spruce Grove School Complex.

MEN'S OPEN BONSPIEL
The Morinville annual Men's Open Bonspiel will be held over two weekends, on March 19 and March 26 with finals being played on Sunday, March 28. The first 32 rinks will be accepted. Draws begin at 7 p.m. each Friday evening. Entries may be phoned into Marutec Schayes, at 256-2382 or Mrs. Gordon Hittinger at 256-2382.

MIXED OPEN

The last mixed bonspiel of the season in Morinville will be held on March 12-13 and 14. Regulations require that a lady curler must play third on all teams. Entries may be phoned in to the above-mentioned members.

Last week Legal made a clean sweep of Morinville's opposition in both hockey and basketball. Legal's Senior "B" league beat Morinville 3-1 on Morinville ice. Both boys and girls school basketball teams in Legal won games from visiting Morinville.

MIDGETS

Morinville 5 - Gibbons 0
Morinville strengthened its lead in league standings by defeating Gibbons 5-0 on their home ice. It marked the sixth victory for Morinville in seven starts this season. Paul Dupuis, kicked out 26 shots for his first shut-out game of the season. Bob Hopell scored twice while Terry Maslyk, Jack Dupuis and Terry Newborn scored singles. Vince Craig and his scotter line played well, as they chalked up three points on a goal and two assists.

HOBEBMA WINS NATIVE TOURNAMENT

The Alexander Braves hosted the last all native hockey tournament of the season with eight teams participating.

Braves won the first game 5-4 in an overtime game with Glenaville, with plenty of action. Inspiel won 7-0 in the only shut-out game of the tourney, against Wabasca. The Purple Cows won 9-4 over Duffield, and Hobebma 9-4 against Winterburn in the first round of play.

Inspiel, from the native centre in Edmonton won their second match, defeating the Braves 7-3 in a hard fought game.

Hobebma won their second straight game by scoring 11-4 over the Purple Cows on Sunday. The final game was 9-6 victory for Hobebma over Inspiel, in one of the fastest and best games played this season. The Champion Trophy, was accepted by the coach of the Hobebma team. The most valuable player trophy, donated by the Morinville Hardware was presented to John Bull of Hobebma by Mayor Arthur Stapleton of Morinville. The best goals trophy was presented to J. Rubillard, also of the Hobebma team. A good crowd was in attendance and good hockey was played by all teams.

Credit Union meets in Legal

The Legal Savings and Credit Union held its 28th annual meeting on Saturday. After a delicious roast beef supper the business part of the evening got underway. Mrs. Norman (Fern) Letourneau was the lucky winner of the \$10000 prize.

The meeting session was quite short with the declaration of a three per cent dividend for the year 1970. The new officers elected were: Mr. Leonard Blanchette and Mr. Frank La-

berge as directors; Mr. Eugene Coulombe on the supervisory committee. These men will serve for a three year term. The credit committee men are no longer elected but appointed by the Board of Directors.

We were honored with the presence of the following: Mr. and Mrs. Harold Webster - supervisor of Credit Unions; Mr. and Mrs. Keith Everitt, M.L.A.; Mr. Al Shorten, fieldman for the Credit Union Federation; Mr. and Mrs. Daniel Kobalsky, Cuna Mutual Insurance Field Supervisor; Mr. Lisle Kivell, Cuna Mutual representative.

The board of directors wishes to thank these people for taking time to attend our meeting. Their words of encouragement were appreciated. The winner of the ladies door prize was Mrs. John Cornells.

A social evening and dance followed.

The board would like to thank everyone who joined us for a most successful evening.

Legal boys in playdowns

Legal girls and boys basketball teams travelled to Redwater Saturday, Feb. 20 to attend the "C" league tournament.

The Legal girls were defeated by St. Mary's. The boys were more fortunate, winning their first game against Redwater and also their second against St. Mary's to win the tournament.

Although the girls basketball season is over, the boys will travel to Redwater again on Saturday, Feb. 27 to compete in the North Central playoffs.

Let's all go support, encourage and help our cheerleaders cheer them on. Good luck boys!

Lagoon Claims Life in Snowmobile Accident

St. Albert's sewer lagoon was the site of a tragic snowmobile accident that took the life of an Edmonton man Sunday night. A telephone call alerted the St. Albert detachment of the RCMP that the man was missing and the mounties contacted Dave Hewgill, president of the St. Albert Snowmobile Club to assist in the search. Mrs. Hewgill then telephoned other members of the club and about 12 of them turned out to help.

It was some of these men that discovered the tracks leading into the open water at the lagoon. A boat was borrowed from Albert Genet and the search continued at the site. The snowmobile was discovered, but although the RCMP officers and snowmobile club members worked through most of the night, the body was not found until nearly noon on Monday. Two divers were working, but only able to

stay in the water a few minutes at a time, and the body was eventually loca-

ted and lifted out by poles from the local fire department.

Open water at the St. Albert sewer lagoon, scene of the snowmobile accident which claimed the life of an Edmonton man Sunday night. Tracks in the foreground were made by the boat brought in to search for the body.

Eating, drinking and driving

It may be difficult to see a clear relationship between automobile driving and gluttony; but one has been found by a man who should know. He is Dr. Pierre Grondin, Montreal heart transplant specialist, who says man dies too early when compared to other animals. The latter live six times as long as it takes them to grow, and so should man, says Dr. Grondin.

In the case of man, this should be 150 years.

But few men live this long and Dr. Grondin cites three reasons for this. Unlike animals, he states, man eats when he is not hungry; drinks when he is not thir-

Ducks Unlimited

WATER CONTROL

Control of marsh water levels is an important part of management to insure maximum use by waterfowl and that valuable fur-bearing, the muskrat. Ducks Unlimited controls range from simple earthen dams to more sophisticated structures, such as a four-bay reinforced concrete, stop-log control. Equipped with 8 six-inch stop-logs, such a dam holds back 4 feet of water. Removing one row of logs lowers the level 6 inches, conversely, adding one row raises the level 6 inches.

"YOUR FRIENDLY FAMILY CHURCH"

Imagine that you cut across a shaft of straight hair and a shaft of curly hair, as you might cut across two tree trunks. If you were to look at the cut section of straight hair under the microscope, you would see that it is round. The cut section of curly hair is oval or flat. The flatter the hair is, the more easily it bends and the curlier it is.

Teacher: "Who can spell Straight?"
Small Boy: S-t-r-a-i-g-h-t
Teacher: "Correct. Now what does it mean?"
Small Boy: "Without waver."

As I See It

By Rose Martel

By Rose Martel

One year when the youngsters of a certain Alberta village met for the purpose of electing a captain for their baseball team for the coming season, it appeared that there were an excessive number of candidates for the post, with more than the usual wrangling.

Youngster after youngster presented his qualifications for the post, and the matter was still undecided, when the son of the owner of the ball-field stood up. He was small, snub-nosed lad, with a plentiful supply of freckles, but he glanced about him with a dignified air of controlling the situation.

"I am going to be the captain this year," he announced convincingly, "or else father's old ball is going to be turned into this field." He was elected unanimously.

As I see it - unless each community begins now to organize leisure hours and holiday daily supervised programs, it is going to be more than a hot long summer for many residents, regardless of the generation

grap, during July and August.

What kind of ball is going to scare you off the ballfield? There are many balls, to be found in many fields. Some produce, others only complain.

Good sports make a good community. Many should participate, volunteer and support their local leisure programs. Many have the false impression, that money and experts are necessary to organize leisure programs for a town or village.

But...many good beneficial programs have been executed by volunteers with community minded parents on a cost basis, with no profit for expert personnel. By using all facilities available an organized group of volunteers can easily be found, to share the supervision and help the leaders if the parents are interested.

If you want action in your area, contact your recreation board or sports committee, offer your services, and be prepared to share the load with your fair share of volunteer work, money and participation,

St. Albert Wildcats midge C provincial team moved into the second round of the provincial playoffs with an easy series against Millet.

Wildcats won the first game in St. Albert 14 - 3 and followed up with a 3 - 2 win in Millet last Saturday to win the two game total goal series 23 - 5.

The man was complaining to his friend that his wife was always nagging him for money. "Last week she wanted \$200. The day before yesterday, it was \$125. This morning she asked for another \$150."

"That's awful," his friend replied. "What could she possibly do with all that money?"

"I don't know," said the husband, "I never give her any!"

Two men sat on a park bench, gazing at all the beautiful girls passing by. One remarked, thoughtfully: "It occurs to me that the only way to vaccinate a girl so it won't show these days is to have her inhale it."

CWL hear talk on Eskimos

LEGAL -- Miss Sarah Seeloo from Baker Lake, NWT, was guest speaker at the February meeting of the CWL.

Sarah, a grade 12 student at Legal, gave a very interesting and informative talk on Eskimo Life.

The population at Baker Lake is approximately 800.

The Eskimos Sarah said don't look for fashions, they dress in caribou skin, fox and rabbit. They live in prefabricated homes which are well insulated.

Some Eskimos still trap mostly white fox. The travelling is done mostly by plane and ski-doo.

A lively discussion on

Eskimo life took place. The CWL were happy to have Viny CWL ladies in attendance.

Alberta now has one of the most up-to-date farm business analysis programs in the whole of Canada.
